Nuremberg, September 2018

SAHCO is going to launch another HOME COLLECTION in Autumn 2018, consisting of six hand-made cushions in natural urban materials.

Nonchalance and great attention to detail: The new SAHCO HOME COLLECTION inspires with its original charm, sophisticated colours and myriad of nifty details. Emphasis is put on natural materials, unique structures and a great haptic experience.

The six cushions of a multifaceted appearance enthrall with a natural character, exquisite workmanship and surprisingly subtle details. The fabrics ARTISAN, COCO, MOOD, PROOF, SENSE and SEQUENCE are recombined and showcased – selected with an assured sense of style and intricately hand made.

The new HOME COLLECTION impresses with its enthralling material combinations. The cushions present themselves in a charismatic and natural way; with reserved beauty and of timeless elegance – cosmopolitan in compliance with a flexible lifestyle.
